Newsletter No 6 Term 2
2 June 2022

Dear Sacred Heart families and friends,

At the moment we have 10 families coming on Saturday so given the expected weather for Saturday we have amended the prioritising of tasks for the Working Bee.

The main task is to remove as much of the extraneous furniture from the rooms scheduled to be refurbished in Stage 2. Earlier this week Gina marked all of these items with red masking tape. This is because we expect that we will know by tomorrow who the successful builder is for the Stage 2 refurbishment and we anticipate that they will take possession of the site by the end of this term.

Stage 2 will see the refurbishment of the Administration, Staff room and Rooms 2 & 3. For this to happen the majority of the interior of the Administration Block and Rooms 2 & 3 will be demolished and a completely new interior layout built.

While this is happening, we will have to relocate all of the functions and personnel to other areas of the school. The main change that you will notice and need to know about is that the entry to the school will shift to the end of the main driveway. Allison Garrard and the school office will be located in the current Learning Diversity Room in Bunjil Block (Foundation to Year Two classrooms block), this will be the front entrance to the school. Sandy Morgan (Learning Diversity Leader), Gina and myself will move into temporary office spaces in the Community Centre and the staffroom will be in this block too. Other information will be passed onto you once we have had more specific conversations with the builders and architects.

Later in this newsletter there are photographs of the equipment that we will be discarding on Saturday, if you would like to have any of this furniture let us know before 9.00 am on Saturday and it is yours for free.

Then, weather permitting, we can attend to the other outdoor tasks.

The priority listing is:

1. Dismantle (if necessary) and move all marked items in Admin/Staff/Rooms 2 & 3 to skip
2. Dismantle (if necessary) and move all items left by Peter Rickard behind McKillop and Cordner Blocks to skip
3. Move sleeper off-cuts from veggie garden to skip
4. Move Leave Your Mark items left in Admin garden

These tasks will require power drills/tools etc to dismantle furniture in order to fit as much into the skip as possible, gloves, wheelbarrows and trolleys to assist with moving large and small items of furniture.

5. Clear garden around fire hydrant

5. Weed Welcome Garden, starting at front of school
6. Weed Log Fort Garden, removing all Buffalo Grass

These activities are general gardening tasks so the tools required would be gardening tools and wheelbarrows etc. We already have a number of spades, shovels, pitch forks, wheelbarrows in the school so all people will be able to participate.

8. Remove tyres from goal/point posts and re-secure them in original position (also log against back fence). Weekend visitors have taken the tyres from the Log Fort Maze and put them over the point/goal posts at that end of the oval.

9. Clean both MacKillop and Welcome courtyards of all leaves, especially on artificial grass in Welcome courtyard

This task will require blowers, rakes, shovels and wheelbarrows to remove the autumn leaves and ensure that the artificial grass in the Welcome (main) Courtyard does not get mouldy and the MacKillop Courtyard is safe from slip hazards.

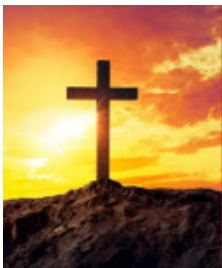

10. Top-up sandpit next to Adventure Playground

11. Fill in holes and tyre ruts on the oval.

These tasks can be done at a later date, possibly not a formal working bee but an invitation to come along for an hour or two on a weekend to complete these tasks.

All those attending Saturday's Working Bee are asked to gather in the Welcome (main) Courtyard at 9.00 am to be allocated their tasks.

Kind regards
Jim & Gina

SACRED HEART PRIMARY SCHOOL

Catholic Identity

Education in Faith

Underpinning all areas of curriculum and interactions at Sacred Heart are the Catholic Social Teachings. These teachings are embedded in Scripture, formed by Church leaders, and influenced by the world around us. These teachings articulate our moral compass, and guide us on how to live as Catholics and faith filled people in the modern world.

The Catholic Social Teachings are:

- Dignity of the human person
- Solidarity
- The common good
- Preferential option for the poor
- Peace
- Stewardship of creation
- The dignity of work and participation

Jesus taught us to love our neighbours, those in close proximity and further abroad. We are taught to be kind and help people in every situation, whether they share with us a language, a culture, a religion, or not. By equipping our students with critical thinking skills and building on their moral compass created at home, we are empowering our students to seek justice, peace, and love in our world.

Congratulations to Alexander Campbell (3/4 NJ) who made his First Eucharist and George Topolcsanyi (1/2 PA) who was Baptised last weekend. Baby Ruben Molina was also Baptised.

SACRED HEART PRIMARY SCHOOL *General News*

CONGRATULATIONS:

Congratulations to Erica Motschall who received the Player of the Day award in the Under 9 Sacred Heart netball team on the weekend. Erica has been watching the Vixens play and has noticed skills with how they defend. Erica put these into her own play on Saturday and stopped her player running forward. Great skills Erica!

WORKING BEE: - RESCHEDULED:

The Working Bee has been moved to THIS Saturday 4 June.

If families would like to take up the option of mini-working bees before this date the link to book in is <https://docs.google.com/spreadsheets/d/1Og1M5O9arSVDdvLpaeaVSHzjMKvht0Jw2sK3eskN0vw/edit?usp=sharing>

DIVISION CROSS COUNTRY:

Congratulations to both Madeleine Arvaji and Miller Burns for qualifying for the Division Cross Country which was postponed yesterday and will now be held on Thursday 9 June.

LEARNING CONVERSATIONS:

Our mid-year learning conversations, to be held on Tuesday 21st June (4-6pm) and Wednesday 22nd June (2-7pm), will be held either via phone, Google Meets or Face to Face.

More information on how to book these will be shared shortly. Remember that students will finish at 1.30 pm on Wednesday 22nd June to allow staff to conduct Learning Conversations.

PARENTS ASSOCIATION:

Order forms for the Special Lunch have been sent home with students today. Please return the completed order to the office. Payment can be made via CDFPAY- Scan or click on the link:

Sacred Heart Special Lunch Order

PIZZA DAY

Wellbeing

NILLUMBIK PARENTING HUB - ONLINE RESOURCE FOR PARENTS:

The Nillumbik Parenting Hub is an online portal providing information, workshops and tools to help families strengthen their skills and respond effectively during the most challenging times. The online portal at nillumbik.vic.gov.au/parenting-hub includes an A-Z Service Directory covering a range of topics with links to organisations and services that can provide practical advice and support. There are also details of local programs and webinars available in Nillumbik to support parents and carers through their child's development from birth to teens.
