Newsletter No 10 Term 4
9th December 2022

Dear Sacred Heart families and friends,

As another extraordinary year draws to a close, we write to thank you all for your continued encouragement and support for all of us here at Sacred Heart Primary School.

As a Catholic community, we recognise that we have recently entered the season of Advent. A time of reflection and preparation for the coming of Jesus at Christmas. It is a time when we look back, as well as looking forward. A time to look back and to give thanks to God and to each other for all the blessings we have received, as well as to look forward to all the wonderful possibilities, opportunities and challenges of the next stage of life's journey.

As we reflect on the year we have had, the word which enters our heads is one of gratitude. Gratitude for the amazing staff of Sacred Heart Primary School who continue to give generously of their time and talent for the benefit of our children. Gratitude for our parents whose encouragement and trust is often overwhelming, particularly in the face of their own challenges. Gratitude also to the children of Sacred Heart who bring energy and life to our community.

As the academic year draws to a close, we would like to take this opportunity to thank you for your support throughout 2022. We also have a number of families that will be finishing at Sacred Heart Primary School this year. Many of these families have been involved in our community for a long time. We thank you for your enthusiasm, kindness and contributions to making Sacred Heart such a wonderful place. Thank you to the following families: Arvaji, Brooks, Campell (Zara), Clough, Dovile, Liu, Mitrovski (Miaa), O'Keefe, Rowley (Charlie) & Turner.

We also would like to thank our leaving staff, Amy Stephens and Norah Jacombs, who have had such a positive impact on the Sacred Heart community and wish them the best of luck in the next stage of their journey.

As this is our last official newsletter for the year we hope you all have a safe, restful, holy and happy Christmas and we look forward to walking together with you and your children as we move into a year full of hope and promise in 2023.

The Jesse Tree

Jesse Trees are a very old Christmas Tradition and first started in medieval times. They are **used to help tell the story of the Bible from creation to the Christmas Story.**

Each day of **Advent**, read a Bible story about someone on Jesus's family tree and hang an ornament symbolizing the story on your Jesse Tree. As you decorate your tree, you'll see how God prepared for Jesus to be born through many generations.

The name comes from Jesse who was the Father of the great Jewish King David. One prophecy in the Bible, in the book of Isaiah, says:

- 1 A shoot will come up from the stump of Jesse; from his roots a Branch will bear fruit.
 - 2 The Spirit of the LORD will rest on him-- the Spirit of wisdom and of understanding, the Spirit of counsel and of power, the Spirit of knowledge and of the fear of the LORD--
 - 3 and he will delight in the fear of the LORD. He will not judge by what he sees with his eyes, or decide by what he hears with his ears;
 - 4 but with righteousness he will judge the needy, with justice he will give decisions for the poor of the earth.
- Isaiah 11:1-4 (NIV)

A branch is a sign of new life and new beginnings. Jesus was a descendent of King David and Christians believe that Jesus is this new branch.

The first Jesse trees were large carvings, tapestries or even stained glass windows put in Churches that helped people who couldn't read or write learn about the Bible from creation to the Christmas Story. But now Jesse Trees are used as a kind of Advent calendar. You can use a normal Christmas tree or a banner in the shape of a tree. Each day through advent (or sometimes just on the four Sundays of advent) a special decoration or ornament that tells a story from the Bible, is hung on the tree.

There are very many different stories and symbols you can use. I've listed 25 stories and symbols that I especially like!

ISS Results:

Congratulations to our boys and girls basketball teams and our boys' volleyball team that made it into the ISS grand final held last week. Both our boys teams won in the final and the girls lost by a small margin. Well done to all teams.

Student News:

Congratulations to Sienna Nardella who recently was awarded the MDC inters outstanding Achievement award for Jazz, Ballet and Contemporary.

Year 1 students Alby Ioannidis and Eloise Ross, performed their End of Year Piano Recital on Saturday 3 December in Diamond Creek.

First-year piano student, Alby, played a bright rendition of *Yankee Doodle* followed by an ominous sounding performance of *Pirates* as a duet with the teacher; and second-year student, Eloise, continued a somewhat American theme with the iconic doo-dah of *Camptown Races* and by smashing the baseball tune *My Clubhouse* out of the park in her duet!

Congratulations on your entertaining performances and progress this year Alby and Eloise!

Very special thanks to their excellent teacher, *Juliane Vincent*, (Dip Ed Soc. Germany, Orff 2, Kodaly 1, VMTA) of *Hurstbridge*.

Seesaw:

As we are nearing the end of term 4 2022, some families were wondering how to download/save their children's work in Seesaw? Here's how to download a .zip file of a Seesaw journal, including images, videos, audio recordings, and text notes or captions. Click here or click on the item attached below: <https://help.seesaw.me/hc/en-us/articles/208754866-How-do-families-and-students-download-an-archive-of-student-work-> Please use a computer with a Chrome or Firefox browser only, the .zip file will not download on a mobile or tablet device.

Parents Association News:

The 2022 Parents Association Annual General Meeting on 5 December was a great success – congratulations to the Committee that raised around \$15,000 this year – and thanks to you, our amazing families for your support!

Thank you to the 2022 Committee: Emma Dovile, President, Michelle Lord, Vice President, Stephanie Lewis, Secretary and Rowena O'Reilly, Treasurer, and each of the General Committee Members, who worked tirelessly volunteering their time for this great outcome.

We also thank you – our incredible School families – who helped raise these funds by generously donating time, goods for raffles and supporting various events, such as the Mother's Day Stall, School Disco, Bogan Bingo and Student Special Lunches, making them a huge success.

This hard-earned money will go towards a new playground to give our kids the best of the latest play equipment, bringing it in line with the rest of the School following the completion of the impressive building refurbishment project.

Congratulations again to the 2022 Committee on a very successful year!

Executive Committee 2023

The AGM saw the election of the Executive Committee of the Parents and Friends Association, as it will be known, for 2023:

- President – Megan Ioannidis (Alby, Year 2)
- Vice President – Michelle Lord (Justine, Year 3; Harry, Year 5)
- Secretary – Laura Van Rooyen (Leo, Year 2)
- Treasurer – Sasha Topolcsanyi (George, Year 2)
- Tuckshop – J'Rhette Bishop (Rook, Year 4; Harper, Year 6)
- Uniform Shop – Madeleine Jones (Olivia, Foundation; Evie, Year 4; Lucy, Year 5)

Congratulations and thanks to these people for making the generous and steadfast commitment and in bringing their professional expertise and skill to the Committee.

General Members and Friends

We have thankfully been blessed with a number of amazing volunteers who have continued on or joined as General Members for 2023.

The Committee will expand to also welcome parents as Friends where you simply contribute, volunteer or attend meetings as much as you like and are able.

Again – we greatly appreciate everyone's support and hope this better accommodates everyone's busy lives to be able to help and be part of the fun without having to make a big commitment.

New Year, new approach

The New Year will also welcome a new approach for the Parents and Friends. While we remain a group that works to raise money for School equipment and bring everyone together through social events, we will review the way we work – and we want to know what you think!

Have your say

We want to work smarter, not harder and make the Parents and Friends work for everyone. We also all want our kids on that amazing new playground!

Early in Term 1, we will conduct an anonymous survey to know your thoughts on past events and activities; what you think has worked, what you enjoyed and what you think could be improved.

Watch this space for the link to the upcoming survey...!

Join us!

We would love to have you in 2023 and warmly invite you to join this wonderful group. To register your interest or for further information, please email parentsassoc@shdiamondcreek.catholic.edu.au .

Thank you again for your support of the Parents Association in 2022 and I look forward to working for and with you all in 2023!

Kind Regards,

Megan Ioannidis
President-Elect
Parents and Friends Association

A quick note on the new name – including Friends broadens the scope of the group and also aligns with terminology used by Melbourne Archdiocese Catholic Schools (MACS) of which Sacred Heart School and associated parent groups are governed.

Christmas Celebrations:

Orientation Days - 2023

Following the success of the start of the Year in 2022 for our students, we are again starting 2023 with a staggered return across Year 1 -6. We believe this encourages a positive and personal start to the new school year allowing time for staff and students to reconnect after the holiday period.

Students in Foundation to Year Six will be allocated a morning or afternoon session on Monday 30th January or Tuesday 31st January. All Foundation students will have Wednesday off for the month of February.

During these sessions, teachers and LSO's will spend time engaging with their students in a small group setting designed to enhance student wellbeing and set up classroom/level expectations. These sessions will include time for the teachers and students to engage in various activities including classroom organisation, social and emotional (SEL) activities and assessment of reading, writing and number work. We believe it is important to use this time to observe students' learning behaviours in a small setting. This ensures teachers and LSO's have the opportunity to start planning learning tasks for the beginning of the year that are set at the point of need of each individual student.

We anticipate this personalised opportunity will promote a calm and positive approach for students returning/commencing their 2023 school year.

Students are expected to wear full summer uniform, including school hats. They are asked to bring a snack, drink bottle, pencil case and headphones with them to this session.

Below shows which day your child/ren are expected at school.

Unspoiling Your Kids This Christmas

POSITIVE PARENTING

Even in homes where getting by is a bit of a struggle, Christmas is generally a time of indulgence for most families. We might be fighting inflation, increased rent and mortgage payments, and rising fuel and food costs, but it's Christmas! We want to make it memorable, and spending seems to be the default to make that

1. Focus on Service

This year, one family I know is baking cookies and visiting the local police station, ambulance station, and fire station to drop off some Christmas cheer. They take the time to thank the people who work to keep us safe. Others I know visit the local RSPCA with supplies or donations, drop food, books, and toys at a women's shelter, or donate food (or money for a well) to one of the many overseas charities that help those who are impoverished and in need.

2. Focus on Your Neighbourhood

Who are the people in your neighbourhood? Perhaps an elderly widow could do with a hand in her yard. 'Tis the season for fast-growing grass and gardens. Perhaps someone has just gone through a tough separation and could do with a Christmas basket to ease the pain (financial and emotional) that Christmas might bring.

One of our favourite things to do is to host a neighbourhood Christmas party. We invite all of our neighbours for a barbecue and to sing carols. Every year, we are asked for the date in advance, so people can be available!

3. Try a Secret Santa Drop

Our children's favourite Christmas activity is playing "knock and run." We select a handful of people we want to give something to each year. It might be a teacher, a friend, a coach, or a church leader. We wrap their parcels (often home-made treats), write thank you cards, and drive to their home. After parking out of sight, we sneak to their door, place their gift on the doorstep, and bang on the door before sprinting for a hiding place. Then we watch with delight as someone gets an unexpected, anonymous Christmas surprise. (It can be hard to do this well with six children, and we've often been caught—but it's always fun.)

Next—focus on the children.

4. Give Something Exciting

The reality is that our children DO want to get something exciting at Christmas. So, pick something great for them (within your budget) and help them enjoy it. A decision to not get anything can leave them feeling resentful, particularly when they see everyone else "getting."

5. Reduce the Number of Gifts They Receive

Some children receive gifts from everyone. Grandparents, aunts, uncles, parents, and even siblings are all expected to buy for everyone. This not only costs a fortune, but it can overwhelm children and leave them expecting more and more. Invite your extended family to contribute to one meaningful gift, rather than lots of bits and pieces.

6. When Opening Gifts, Take Time to Savour Them

Savouring is the magnifying, or amplifying, of a positive experience. When the children open a gift, give them time to savour it. Encourage them to play with it. Let them breathe in the excitement of the moment, rather than ripping into the next package and flinging their gifts aside.

7. Experiences Are Better Than Things

One of the most remarkable findings from positive psychology research is that spending money on experiences brings more happiness than spending money on "stuff." Perhaps a family trip will be more memorable than more toys?

In a similar vein, gifts that encourage relationships are better than gifts that promote isolation. A new game console might be fun, but it may lead to withdrawal (and fights). It might be better to purchase some games that bring the family together.

8. Rather Than Gifts, Give Letters

One year for Christmas, I contacted my siblings and asked them to give me 10 memories of special times with Dad. With six children, we had a total of 60 memories, each written on separate pieces of coloured paper and rolled up into mini-scrolls and placed into a jar. Dad opened the jar and looked at us, perplexed. He reached in and pulled out the first note. He read it and chuckled. Then it dawned on him that there were 60 notes from his children. He dipped his hand in again and read. Then he began to weep. The rest of that Christmas morning, he read, cried, laughed, and reminisced. It was a meaningful, wonderful gift that cost nothing but meant the world.

9. Encourage the Children to Write "Thank You" Notes

Christmas break is a great time to take stock of gifts and say thank you. Invite your children to write thank you notes to those who gave to them, saying specifically why they're grateful. Sincere thanks takes time—but it is a wonderful way to help the children show appreciation.

Finally, give the most valuable gift you can: time.

10. Give the Gift of Time

There may be no gift more appreciated by our children than your time. It costs so little yet is so hard to give generously. But when we give of our time generously, all the material desires our children have will fade away.

This Christmas, "unspoil" your child by reducing the emphasis on materialism, crowding out the crass commercialism of "getting" with sincere, compassionate giving. It can make your Christmas truly memorable.

How are you planning to make this Christmas one to remember?
